The Coalition of Wisconsin Aging Groups (CWAG) is the largest, most effective grassroots coalition of senior organizations in the country. It is made up of individuals and member groups that represent over 125,000 people in Wisconsin. CWAG formed as the voice of older people in Wisconsin in 1977 to improve senior conditions in the state. Now, as we celebrate our 32nd year, we remain steadfast in our commitment of working together as productive, equal partners in providing a variety of programs, services, advocacy, legal services and education to Wisconsin's senior citizens and to future generations.
